3. **Planning Item:**

Land Adj Woodsmoke, Skaigh Lane, Belstone. DNPA ref: 590/18  
Erection of dwelling and annex

Following an explanation of the proposal by the applicants and questions and comments by those members of the public present, it was resolved to **Object** to the proposal on the following grounds:

The proposal would have an adverse impact on Skaigh Lane by reason of additional traffic generated by the new dwelling onto a single track road which is not designed to carry the amount of traffic that is currently using it. In addition the entrance, which is also intended to provide access to a field for use by large agricultural machinery is located at a particularly narrow section of the lane.

There being no other business the Chairman closed the meeting at 8.30pm.
