All seats covered by Parish Council's public liability insurance.

Notes from previous asset registers

The notice board's value was increased in 2009 to £100 but is not included under the Community First insurance cover, because there is a £100 excess on each claim.

The value of the bus shelter was reduced in December 2003 to the estimated replacement value (£1,500) provided by Mr. P. Cooper. (See minutes 40v, 16.09.03 and 58iv, 09.12.03). *Insured for £1,897.2021.*

The BT Phone Box was adopted March 2015 for £1 and added to the Community First insurance All Risks Cover. The value to be increased annually, in line with the insurance valuation.

Fifteen seats within the parish are included under the Parish Council's public liability insurance cover. They are checked every 12 months.

Village car park lease acquired in 2018 for 10 years. No additional premium required on insurance.

The Car Park Noticeboard was acquired in 2020 at a cost of £133.33. Not included in insurance cover.

The A-Frame Noticeboard was acquired in 2021 at a cost of £119.79. Not included in insurance cover.
